| **Respect**    | To be thoughtful and caring towards others and the environment around us. | • Understanding peoples’ differences  
                 |                                                                            | • Treating people equally  
                 |                                                                            | • Acting within the school rules  
                 |                                                                            | • Speaking nicely to one another  
                 |                                                                            | • Listening to others  
                 |                                                                            | • Caring for one another  |
| **Co-operation**| To work together as a school community to achieve a common goal, under all circumstances. | • Supporting, helping and sharing with one another  
                 |                                                                            | • Listening to others  
                 |                                                                            | • Accepting other’s ideas  
                 |                                                                            | • Compromising  |
| **Friendliness**| To look out for one another, to take an interest in how others are feeling and to know how to be a good friend. | • Including others in play  
                 |                                                                            | • Looking out for one another  
                 |                                                                            | • Being welcoming and kind  
                 |                                                                            | • Being polite and using manners  
                 |                                                                            | • Saying nice things to others  |
| **Best Effort**| To give our best effort 100% of the time in whatever we do.                  | • Being motivated and positive  
                 |                                                                            | • Asking questions when things get tough  
                 |                                                                            | • Seeing things through to the end  |
