The Fundraising Committee has put together an itinerary of Fundraising Events to be held over the school years for 2013 & 2014. Each term will host a different fundraising event. We will have both our traditional Mother’s Day and Father’s Day Stalls, and also two other events for the other two terms of each year.

Notifications will be going out nice and early, as they say; “the early bird catches the worm.” Our aim is to give parents/guardians an idea of which fundraising events will be held and when, so you can mark it off in your diary!! (Or we would even appreciate your help!)

Below you will find the Events that have been chosen for the next two years. If you have ideas of any other events we can put on our ‘wish-list’, we would love to hear them!!
