In order to achieve success with your homework you need to:

Give all tasks a go (persistence)  
Present your work neatly  
Ask for help prior to the due date  
Present your work neatly  
Submit your homework on time  
Do a little of your homework every day.

Homework activities will help you achieve your learning goals.

Thank you parents, for your ongoing support.  5/6 Team 2014.

**Reading**

Read for at least twenty minutes, five times each week. Each time you read, record the book, time, pages in your diary. Ask an adult to sign your Diary every night.

**WRITING**

Write a report about an interesting animal.
Include CLASSIFICATION—e.g tiger: cat family
Physical FEATURES
HABITAT—where animal lives(natural environment—country/countries and geographical environment)
DIET: food/foods
PREDATORS: enemies.
CONCLUSION:-interesting facts etc

**Spelling**

Practise your Spelling words every day. Read them out loud, write them down, and recite them to your family and friends.

*Our focus sounds*(phonemes)*
or (fork) a (ball) au (sauce) aw (saw) oo (door)
ow(cow) ou(house)

**ACTIVITIES**

✧ Write 10 of your words in alphabetical order.
✧ Use a dictionary to write 10 dictionary meanings for your words.
✧ Write antonyms for 5 of your words.
### Maths

**Equations** (set out properly)

<table>
<thead>
<tr>
<th>Equation</th>
<th>Answer</th>
</tr>
</thead>
<tbody>
<tr>
<td>973 + 82 =</td>
<td>1055</td>
</tr>
<tr>
<td>(9 x 4) + (7 x 2) =</td>
<td>29</td>
</tr>
<tr>
<td>7502 - 451 =</td>
<td>7051</td>
</tr>
<tr>
<td>296 x 68 =</td>
<td>20168</td>
</tr>
<tr>
<td>5029 + 1569 =</td>
<td>6598</td>
</tr>
<tr>
<td>728 x 85 =</td>
<td>61680</td>
</tr>
<tr>
<td>2631 + 549 + 638 =</td>
<td>3818</td>
</tr>
</tbody>
</table>

**PLAN A PARTY FOR 10 PEOPLE**

You have 150 dollars to spend. Include the cost of each item you will buy for the party—decorations, food etc. List the price for each item and calculate the total you will spend for each item—eg party poppers, bottles of drink etc.

### Mathletics

**Number, Operations, Setting Goals**

Complete at least three Mathletics lesson tasks (not Mathletics Live) based on your own maths goals or areas for improvement. You may like to focus on the topics we have been studying in class: multiplication, area and perimeter, fractions etc. Please paste your certificates in your Homework Book.

**Times Table Practice**

**Number Operations, Multiplication**

Choose a Times Table that you need more practise with. Stay focused on this times table until you have mastered it. Go beyond: Each time you practice your tables, keep a record of how many you get correct and how long it takes you. Compare your results to see how you have improved.

**Mathletics - Focus: Place Value and Fractions**

Can you earn a silver and gold certificate this week in Mathletics?

“Good, better, best, never let it rest, until your good is better and your better best”.
